Day Care Center

The Cypress Hills Child Care Center opened its doors to the community in 2000. It is a non-sectarian educational program accredited by the National Association for the Education of Young Children  and it is also registered with the New York City Department of Health and Mental Hygiene, as well as the New York State Department of Health. At our state of the art center children spend the day in a nurturing and loving environment where they engage in art activities, gain social skills, and learn the basics of math and science in a fun setting .

The Cypress Hills Child Care Center is open from 8:00 a.m. to 6:00 p.m. Monday through Friday. Children ages two and a half to five years old are accepted into our program. Eligibility is based on family size and income. The program runs year round. For More information contact
